Welcome Cowboys and Cowgirls!

We hope that you will enjoy the match today.

Safety is always on our minds, so let's all help each other to have a safe shoot.

The usual safety guidelines are in effect. These will be touched upon at the shooter's meeting.

The SASS Shooter's Handbook is the basis for our safety and shooting guidelines.

We will be shooting five Main stages. We also have side matches for your enjoyment.

We will have a long range competition before the main match. Bring your long range rifles, both rifle and pistol caliber. The specifics and ranges will be posted at the long range venue. There is no fee for this event.

There will be a Wild Bunch side match before the Main Match. Bring your 1911 and '97. First time through is for record, but you may shoot again, if time permits.

The Wild Bunch venue may also be used for a warm-up stage, if you like.

There is also a pre-match shotgun side match presented by Turquoise Tony. Bring extra shells!
